STEMEY'S PRODUCT GUIDE

STEMSYS DERMA PERFECT CLEANSER

WHAT IS IT?

A luxurious, skin-friendly cleanser, infused with acacia peptides, Acuaxil, and other skin-beneficial ingredients making skin healthy, and radiant with everyday use.

WHAT DOES IT DO?

This gentle, soft foam cleanser, StemSYS Derma Perfection Cleanser, effortlessly purifies your skin, and balances moisture and oil while soothing your skin. It has Acacia peptides that boosts skin cell regeneration and promotes collagen production, enhancing skin elasticity and ensuring a healthier, more vibrant skin complexion.

It is also enhanced with BioSydneyringer's vegan ingredients that offer powerful skin protection, ensuring that your skin stays clean and healthy.

HOW TO USE?

To remove makeup and cleanse the face, pump an appropriate amount of cleanser and gently massage it onto the face. Add water to emulsify and foam the cleanser. Gently massage the face with the cleanser and rinse clean.

Shop Now

STEMSYS DERMA PERFECT CLEANSER

A GENTLE YET POWERFUL SKIN-FRIENDLY CLEANSER.

Key Ingredients and Skin Benefits

Deep Moisturization & Dryness Prevention

- **Aquarius Complex:** Maintains optimal hydration levels by balancing moisture and providing a continuous supply, keeping your skin moisturized, firm, and protected from dryness.

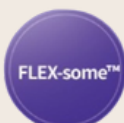

Soothe Sensitive Skin and Protect Skin Barrier

- **Spanish moss extract:** Acts as an anti-inflammatory agent and is known for its soothing properties, a good addition to skin care formulations targeting dry or irritated skin. It contributes to skin barrier protection

Wrinkle Improvement & Anti-Aging

- **Acacia Peptides:** Improved skin texture: It helps to smooth the skin's surface, giving it a softer, more refined texture. Anti-aging properties: Acacia collagen has a plumping effect and can reduce the appearance of fine lines and wrinkles.

- It focuses on softening the structure of particles to help deliver ingredients through the skin more effectively.
- It works by targeting the lipids (fats) in the outermost layer of the skin (the stratum corneum) to allow quick absorption of cosmetic ingredients.
- This technology uses positively charged (cationic) liposomes, which are small, bubble-like structures that help deliver ingredients through the skin.
- Since the skin's outer layer has a negative charge, the positive charge of the liposomes helps them adhere better, making transdermal delivery more efficient.

STEMEY'S PRODUCT GUIDE

STEMSYS DERMA EX ESSENCE

WHAT IS IT?

A revolutionary advance in skin science that sets a new standard in skincare by combining cutting-edge skin regeneration technology with natural antioxidant components. It contains a combination of effective exfoliating ingredients AHA, BHA, and PHA that ensures comprehensive care for all layers of the skin, addressing surface imperfections and deep-seated impurities.

WHAT DOES IT DO?

StemSYS Derma EX Essence is a premium skin essence that is enriched with skin-beneficial ingredients, Edelweiss Callus and AquaCeramide, that effectively reduce wrinkles and strengthen the skin barrier. It also contains Pep13 complex and silver drop repair scale stem extract that work together to promote skin regeneration and brighten the complexion, resulting in a more elastic and even skin tone. Additionally, the presence of Glyceryl Glucoside, a state-of-the-art moisturizing technology, delivers deep, long-lasting hydration to maintain optimal skin health. The skin barrier is improved with the exfoliating function of StemSYS Derma EX Essence, wherein by gently removing dead skin cells, the essence improves the skin's ability to retain moisture and enhances its barrier function.

HOW TO USE?

After cleansing and patting dry the face, pump an appropriate amount of this product and spread it evenly on the skin. Gently massage the essence onto the face in an upward motion to support its absorption.

Suggestion: Spray StemSYS ampoule followed by StemSYS Enhancing Capsule Cream to moisturise skin.

STEMEY'S PRODUCT GUIDE

STEMSYS PS AMPOULE

WHAT IS IT?

The StemSys Signature Platinum Ampoule is a groundbreaking anti-aging skincare solution crafted to rejuvenate and transform aging skin into a youthful, radiant complexion. Scientifically proven and patented, the ingredients are delivered through cutting-edge Flexsome

and Plussome Technology, ensuring enhanced absorption and maximum effectiveness. This powerful formulation promotes skin regeneration, boosts elasticity, enhances brightness, and locks in deep hydration.

WHAT DOES IT DO?

This advanced formula harnesses the power of meticulously curated plant stem cells, carefully selected to work synergistically for optimal results. By optimizing overall skin health, it restores firmness, luminosity, and vitality, making it the ultimate choice for age-defying beauty.

HOW TO USE?

1. Gently shake the ampoule to ensure the contents mix well.
2. Remove the aluminum cap of the ampoule and remove the rubber stopper.
3. Apply to the entire face and neck using a dedicated applicator or silicone tube, then gently pat for absorption.

STEMSYS PLATINUM SIGNATURE AMPOULE

What Makes THIS PRODUCT SO SPECIAL?

Edelweiss callus culture extract

- **Skin tightening:** Edelweiss can help tighten sagging neck skin, lift cheeks, and smooth out wrinkles and laughter lines.
- **Strengthens skin barrier:** Edelweiss contains leontopodic acid, which can help strengthen the skin's barrier and reduce signs of sensitivity.
- **Hydration:** Edelweiss can help transform dry skin into hydrated and supple skin. It can help repair the skin's natural moisture barrier and keep it hydrated for up to 48 hours.

Eryngium Maritimum Callus Culture Filtrate

- It is derived from the callus culture of Eryngium Maritimum, also known as 'Sea holly'.
- It is an all-natural, marine plant stem cell culture that's suitable for all skin types, especially mature and stressed skin.
- **Soothe and calms skin:** It has anti-inflammatory properties that help reduce redness, irritation, and sensitivity, making it suitable for those with sensitive or reactive skin.
- **Skin firmness:** Can help increase skin firmness and full skin renewal

Purple swallow's nest extract

- Swallows build their nests using saliva and seaweed over a month, which hardens into a translucent jelly. These nests contain 200 times more sialic acid than royal jelly, helping to normalize the **skin's renewal process and improve elasticity and hydration**. They are also rich in natural EGF (Epidermal Growth Factor) and FGF (Fibroblast Growth Factor), which support **skin cell regeneration**.

Centella asiatica extract

- ideal to **restore your skin's moisture barrier** so it can protect itself from breaking down even more, especially for sensitive skin.
- **Anti-inflammatory:** it can help reduce redness and inflammation. It can also help calm irritations.
- **Anti-aging:** it can help slow the signs of aging by reducing oxidative stress on connective tissue cells. It can also help reduce cellulite and photoaging.

Cauliflower mushroom extract

- **Collagen Synthesis:** Cauliflower mushroom extract, also known as **Sparassis crispa**, contains veratric acid, which can promote collagen synthesis in human dermal fibroblast cells. This can help to enhance skin firmness and elasticity.
- **Wrinkle improvement:** It helps improve the appearance of wrinkles.
- **UV protection:** It protects skin cells from UV damage. It can also inhibit the production of oxidative stress products in the skin.

STEMEY'S PRODUCT GUIDE

STEMSYS ENHANCING CAPSULE CREAM

WHAT IS IT?

A double-functional cosmetic product that helps improve skin wrinkles. It is a high-density formulation with a higher mass-to-volume ratio than regular creams – as a result, it improves skin

elasticity - and makes skin firmer.

WHAT DOES IT DO?

It strengthens skin from the inside out using fine cream capsules and collagen boosters. Tiny Cera Capsule contains Ceramide, a skin barrier ingredient applied over the cream's protective layer.

It also has a Heat Shock Protein (HS47 protein) booster that produces high-quality collagen and improves elasticity.

HOW TO USE?

Take an appropriate amount of this product and spread it evenly on the skin.

STEMSYS ENHANCING CAPSULE CREAM

Boosting Skin Elasticity and Protection with Advanced High-Density Formula and Ceramide Capsules

Edelweiss Callus Culture Extract (Plant Stem Cells)

Bioactive Properties:

- Anti-aging
- Anti-inflammatory
- Antioxidants
- Moisturizing

PEP 13 Complex

Bioactive Benefits:

- Skin Repair
- Collagen Production
- Anti-aging
- Anti-inflammatory & Antioxidant
- Stem Cell Activation

Cristemarine Extract

Key Benefits:

- Skin Renewal
- Anti-aging
- Skin Tone & Radiance

STEMEY'S PRODUCT GUIDE

STEMSYS FOREVER HYDRA CUSHION

WHAT IS IT?

A triple-functional cosmetic product. It is a moisturizing lotion-like cushion with a high content of hyaluronic acid (10,000 ppm) that helps increase skin absorption and hydration.

WHAT DOES IT DO?

StemSYS Forever Hydra Cushion has Triple Functionality for Whitening and Wrinkle Improvement. It also has excellent protection from premature aging and prevention of skin damage caused by exposure to harmful UV (UVA and UVB) rays.

This contains SPF50+ and PA+++.

HOW TO USE?

Use the cushion puff to gently press onto the foundation cream. Tap the amount picked up by the puff on the inner plate of the cover to remove excess foundation. Gently tap the cushion puff onto skin. Use the edge of the puff to blend the cream evenly on the face.

STEMSYS FOREVER HYDRA CUSHION

A TRIPLE-FUNCTIONAL COSMETIC PRODUCT

A moisturizing lotion-like cushion with a high content of hyaluronic acid (10,000 ppm) that helps increase skin absorption and hydration.

✦ ✦ ✦ **Wrinkle Improvement**

Adenosine It is one of the essential amino acids that make up the body that helps the synthesis of protein and collagen in the dermis layer and transmits skin cell activation signals to improve wrinkles.

✦ ✦ ✦ **Whitening**

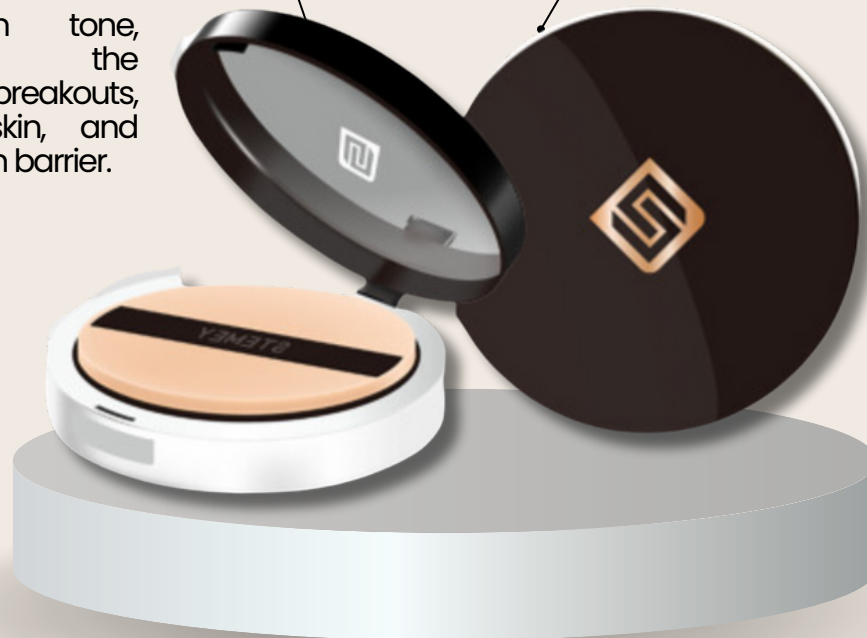

Niacinamide

improves skin tone, suppresses the occurrence of breakouts, whitens the skin, and improves the skin barrier.

✦ ✦ ✦ **UVA/ UVB Protection**

Edelweiss callus

its antioxidant effect is twice as high as that of vitamin C, protects the skin from the sun, and has an excellent anti-aging effect.

SPF50+, PA+++

FLEX-some™

helps in faster absorption by softening particles

Plussome™

uses positively charged particles to improve ingredient delivery through the skin.

Good to Know:

- **SPF** protects your skin against **UVB** rays
- **PA** protects against **UVA** rays
- **PA Index** stands for Protection Grade of UVA.
- **Plus signs (+)** are a rating system developed in Japan to measure a product's ability to block UVA rays.
- **PA+++** means Good UVA protection, up to 90%, filter time about 8-12h.

STEMEY'S PRODUCT GUIDE

WELLSTEM INTENSE ANTI HAIR LOSS SHAMPOO

WHAT IS IT?

A solution for reducing hair loss and revitalizing scalp health. This powerful shampoo not only effectively cleanses but also nourishes the scalp, promoting stronger, healthier hair while helping to prevent further hair thinning.

WHAT DOES IT DO?

WellStem Intense Anti-hair Loss Shampoo deeply hydrates both hair and scalp, creating soft, manageable hair without stiffness. With Lamellux Technology, it replenishes the lipid membrane of the hair and scalp, helping to restore balance and support healthy hair growth. It also has Cationic Polymer Protection that envelops the hair surface, leaving it smooth and soft, while maintaining a natural, non-greasy feel.

HOW TO USE?

Take an appropriate amount onto the scalp and hair, massage lightly, and then wash thoroughly.

Shop Now

WellSTEM Intense Anti Hair Loss Shampoo

FIGHT HAIR LOSS AND NOURISH YOUR SCALP WITH EASE!

BENEFITS

Promotes Hair Growth and Reduces Hair Loss

Edelweiss Callus Extract stimulates hair matrix keratinocyte proliferation, encouraging stronger, healthier hair growth. Formulated with plant-derived ingredients that help alleviate hair loss symptoms and support scalp health.

Strengthens Scalp and Hair Barrier

Lamellux Technology fortifies the protective barrier of the scalp and hair, locking in moisture and providing essential lipid replenishment.

Balances Scalp Moisture

Maintains a healthy balance of oil and moisture on the scalp, preventing dryness and irritation.

Deeply Moisturizes and Soothes

Allantoin helps calm irritation-sensitive skin while providing deep hydration, making it ideal for sensitive scalps.

Anti-Aging for the Scalp

Dolkong Embryo Extract helps slow down scalp aging, promoting long-term hair and scalp health.

Lamellux®

Specialized base that provides continuous moisture for optimal scalp health and ensuring the delivery of active ingredients for lasting hydration and restoration.

STEMEY'S PRODUCT GUIDE

WELLSTEM NUTRITION HAIR TREATMENT

WHAT IS IT?

A hair care breakthrough solution with an advanced formula that revitalizes damaged and dry hair, restoring its smoothness and transforming it into radiant, glossy hair.

WHAT DOES IT DO?

With Lamella Structure present in WellSTEM Nutrition Hair Treatment, forms a moisturizing membrane and gives deep nourishment and hydration to the hair and scalp, providing long-lasting moisture. It contains special ingredients that promote hair growth and prevent hair loss. Enhances scalp blood circulation, activates hair follicles, and prevents hair loss leading to thicker and fuller hair.

HOW TO USE?

After shampooing, remove moisture, apply an appropriate amount to damaged hair and massage evenly, and rinse thoroughly with lukewarm water.

Shop Now

WellSTEM Nutrition Hair Treatment

DEEP NOURISHMENT FOR DAMAGED, DRY HAIR!

BENEFITS

Promotes Hair Growth and Prevents Hair Loss

Enriched with 4-O-Methylhonokiol, the treatment enhances scalp blood circulation, activates hair follicles, and prevents hair loss, leading to thicker, fuller hair.

Scalp Health Improvement

Controls excessive sebum production, reduces dandruff, and maintains a healthy scalp environment. This helps address issues like oily scalp and promotes overall scalp health.

Deep Nourishment and Hydration

The lamella structure creates a moisturizing membrane that deeply hydrates the hair and scalp, ensuring long-lasting moisture retention. This keeps hair smooth, soft, and glossy.

Strengthens and Protects Hair Structure

The presence of Betaine strengthens the internal structure of hair, protecting it from damage caused by chemical treatments, heat styling, and environmental stressors. It also adds flexibility and elasticity to the hair, preventing breakage.

Enhanced Hair Shine and Elasticity

Betaine and other nourishing ingredients quickly penetrate hair cells, adding a natural shine and making hair more flexible and elastic. This results in hair that not only looks healthy but also feels resilient and vibrant.

Lamellux®

forms a moisturizing membrane to protect the hair barrier, ensuring the delivery of active ingredients for lasting hydration and restoration.

STEMEY'S PRODUCT GUIDE

WELLSTEM ENERGIZING SCALP SERUM

WHAT IS IT?

A highly nourishing scalp serum focused on hair loss symptom care, targets to provide volume to hair and protect the scalp.

WHAT DOES IT DO?

WellSTEM Energizing Scalp serum gives a moist and refreshing finish without stickiness. It contains menthol ingredients that give an instant scalp-cooling effect.

It also provides thorough scalp nutrition care containing Panthenol which helps soothe sensitive scalp. Nutrients and peptides are also present to help maintain a healthy scalp. Hyaluronic acid-related ingredients give a moisturizing effect on a cleanly maintained scalp. It is gentle and not dry.

HOW TO USE?

After the hair wash, pump directly onto the scalp. The nozzle foams up the serum. Gently use your fingers to massage the foam onto the scalp, covering the areas of concern on the head. Leave the serum on the scalp.

Shop Now

WellSTEM Energizing Scalp Serum

ADVANCED SERUM FOR ENHANCING HAIR VOLUME AND SCALP HEALTH

BENEFITS

Volume Boosting

The energizing formula targets hair loss symptoms and helps to increase hair volume, giving you the fuller, thicker hair you've been longing for.

Refreshing Scalp Care

Experience the invigorating sensation of menthol as it provides an instant cooling effect, leaving your scalp feeling refreshed and revitalized without any stickiness.

Thorough Nutrition

Infused with Panthenol, this serum soothes sensitive scalps and provides essential nutrients and peptides that support optimal scalp health. Hyaluronic acid-related ingredients deliver deep moisture, ensuring your scalp remains clean, hydrated, and balanced.

Gentle and Non-Drying

Enjoy the benefits of a serum that is as gentle as it is effective. Our formula is designed to hydrate and nourish without causing dryness, keeping your scalp in peak condition.

Lamellux®

Specialized base that provides barrier protection for skin and hair through lamellar structures, creates a scalp moisturizing membrane that enhances scalp care and protection.
